News From Your Multimedia Master

Sheryl Lunsford

Hello SRYC members!

Over the last few months I have been endeavoring to bring you a dynamic

and user-friendly website -- *as your go-to place for all things SRYC.*

Finishing touches have been applied to the [Rental Application](#), [Clubhouse Amenities](#) and [Membership](#) pages. The [Events Calendar](#) and [Photo Gallery](#) are being updated frequently, so check back often. Thank you to those who have contributed content and feedback!

MEMBERS ONLY

I encourage members to go online to register for the Members Only page. Here you will have exclusive access to the *Roster, Bylaws, Club Rules and Auxiliary Application*.

Required steps to activate your Members Only profile:

1. Go to [SRYC](#) and click on the [Register](#) menu to complete the form.
2. You will receive an email confirming receipt of your registration.
3. However, before you can access the Members Only page, the registration must be activated by the SRYC Webmaster.
4. Once activated, you will receive an email that your registration has been approved.
5. You may use the auto-generated password in the email or use the link provided to reset it.
6. Once logged in, the [Members Only](#) page appears with a submenu option to edit your profile and change your password.

COMMODORE

Ahoy SRYC Membership!

A lot of major projects have taken place at the club in the past three months, mostly as a condition of our lease renewal with the City of San Rafael, after Building and Fire Department inspections. Some of the larger projects we have completed:

1. Exterior Walkway Rebuilt
2. Shoring Up Beneath Exterior Walkway
3. Kitchen Hood Updated & Certified
4. Parking Lot Cleaned & Striped
5. Building Exterior Cleaned & Painted
6. Dock Electrical Conduit Replaced
7. Storage Containers Cleaned Out
8. Storage Containers Wiring Replaced

9. Fire Extinguishers Updated
10. Landscaped Shrubs & Bushes
11. SRHS Boats Organized & Stored
12. Kayak Rack Cleaned Up
13. Fence at Gate & Parking Lot Repaired
14. Patio Furniture Cleaned & Painted
15. Redesigned Website & Sea Breeze

I am sure there is more we accomplished ... and there is still more to come, like getting the new TV set up to view upcoming events.

The list of volunteers is way too long to acknowledge. I am very grateful to have such dedicated members willing to pitch in when asked to. You know who you are and I thank you very, very much!

Please check out our new website for event updates, etc. Looking forward to seeing you all down at the club.

-Jerry

Auxiliary Club members Mary Sullivan and Jody Berces applied several coats of Rustoleum black spray on the wrought iron tables and chairs bringing them to like-new again. [See more in the [Photo Gallery](#)]

Member Spotlight

If you enjoy art and meeting artists, SRYC member and Club secretary, **Karlyn Good** will be exhibiting her work over two weekends as part of **Marin Open Studios**. There will be several artist exhibits and she would love for you to stop by!

Karlyn's current focus is on drawing and painting horses, pets, and wildlife. She is especially intrigued with depicting the amazing emotion and bond that people, their pets, and animals share with each other. A very realistic style allows her to capture the exquisite detail and the personality of her subjects. Whether depicting domestic animals or wildlife, she strives to capture the intricacy of their feathers, fur, and eyes.

Marin Society of Artists

Weekend One: April 30th & May 1st

1515 3rd St

Weekend Two: May 7th & 8th

San Rafael, CA 94901

Hours: 11am to 6pm

(Karlyn will be in the room left of the entrance)

Clothing Rack

More SRYC jackets, vests, and children's items will be on order soon. The supplier is sending some cozy throw blankets in the next few days [which have finally made their way through the chaotic supply chain].

Please let Kathy Collins know if anyone has requests for particular clothing, rvpkathy@yahoo.com

MEMORIAL DAY WEEKEND CRUISE-IN
